

The screenshot displays the Globant HR dashboard with three main visualizations:

- Treemap:** A hierarchical view of employee counts by department. The largest categories are Support (221), Engineering (208), Human Resources (204), and Services (204). Other smaller categories include Accounting, Business Development, Marketing, Legal, and Training.
- Bar Chart:** A horizontal bar chart showing the count for each department: Support (221), Engineering (208), Human Resources (204), and Services (204).
- Table:** A table showing employee counts by department and quarter (Q1, Q2, Q3, Q4). The total count across all departments is 1318.

Departments	Q1	Q2	Q3	Q4
Accounting	3	8	14	13
